

NOTES

AltaLink will work with adjacent landowners regarding proposed construction workspace and access.

Construction workspace, up to 40 m x 40 m including right-of-way, will be requested at each existing and proposed structure location.

Stringing workspaces, up to 30 m x 80 m including right-of-way, may be requested adjacent to new angle structures.

The right-of-way width between A1 and A3 is proposed to be approximately 20 m wide.

The right-of-way width between A3 and A20 is proposed to be approximately 25 m wide located between the proposed road allowance and existing pipeline right-of-way.

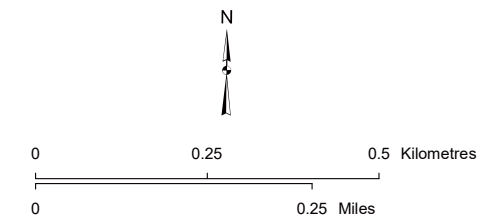

The 20 m wide closed road allowance between A20 and A30 will serve as right-of-way.

The right-of-way between A30 and A35 is proposed to be approximately 25 m wide.
